Aztec Systems Acquired by glendonTodd

San Ramon, CA, June 18, 2012 -- ***martinwolf*** | M&A Advisors announced today that its client Aztec Systems, Inc., a leading provider of enterprise technology solutions to hundreds of U.S. middle-market companies, was acquired by [glendonTodd Capital LLC](#), a Dallas-based private equity firm. Aztec was represented by ***martinwolf*** in this transaction. The acquisition closed on June 14; terms were not disclosed.

Recently ranked 27th in revenue on Bob Scott's 2012 Top 100 VARS list, Carrollton, Texas-based Aztec Systems is in its 20th year of providing high-impact IT managed services business solutions to more than 700 middle-market clients across the south-central region of the United States.

According to **Andrew Levi**, CEO and Founder of Aztec, "Our advisors at ***martinwolf*** gave us great advice and then helped us develop a strategy and execute on it. They told us that the best buyer for our company was the one that could do the most with it to create value for our customers and shareholders in the future. That perspective made the decision a lot easier. glendonTodd brings capital and deep operational experience to Aztec, but most important the firm shares our vision for long-term growth and value creation."
